

BEAVER CITY CIVIC CONTRIBUTION POLICY

The Beaver City Council will entertain contribution proposals from civic groups or community organizations. We will not accept proposals from individuals (for personal use), school groups or church organizations with the exception of Eagle Scout Projects. The larger the group of people that would benefit from a proposal the better chance it would have of gaining the support of the Council.

Beaver City donation to any cause, event or organization would have to be a part or one or more of the following-established purpose:

1. Community improvement or beautification (Eagle Scout Projects that impacts the city).
2. Historical preservation.
3. Community-wide recreation.
4. Community-wide entertainment.

If you feel that your proposal would qualify under these parameters please fill out the following application and leave it with the Beaver City office staff. It will be considered at the next regularly scheduled City Council Meeting as a consent item.
