### TRAINING AND MANAGING PEOPLE INVOLVED IN CENTRAL UTAH FOOTBALL LEAGUE

Players, Coaches and Spectators, field help—ie. Chain gang, will be the responsibility of each community. Game management will be the responsibility of the home team community

representative. **On neutral sites, home team will supply the chain gang, and the visiting team will supply the score/clock operator.**

**CENTRAL UTAH FOOTBALL LEAGUE GAME RULES:**

*This League is governed by the High School Federation Rules; Exceptions per the following rules.*

**QUARTERS**

CUFL **requires** that each community **makes sure** coaches get each player in for at least 8 plays in the game. Each community is responsible to police this policy.

All quarters for all games will be 8 minutes regulation clock with a 5 minute half time and a hustle rule after Touchdowns.

Once the ball is marked for play you only have **40** seconds in the 6<sup>th</sup> grade, 30 seconds in the 7<sup>th</sup> grade and 25 seconds in the 8<sup>th</sup> grade to get the play off.

***OVERTIME:***

***Teams will start at the 10 yard line.***

**MERCY RULE:** If a team is leading by 25 points at half time, the clock will run continuously for the second half, if they get back within 14 points we go back to the regular play clock.

*There's been some confusion regarding the Mercy Rule clock management and the rule we added regarding blitzing. So, with regards to the Mercy Rule, if a team gets up by 25 points or more by half time the clock will be managed by the Mercy Rule and will run continually unless stopped by an official. The Mercy Rule is in effect only after the half. If the team that is down brings the score back to within 14 points the clock resumes normal management. So to be clear, the Mercy Rule clock only applies to the 3rd and 4th quarters.*

*With regards to the blitzing rules. When a team gets up by 25 points or more, regardless of the quarter they are in, the blitzing rule is in effect—**neither team can blitz.** At **any time** during the game, if the score is back under **14** points the blitzing rule is lifted and normal play resumes. **A team can only have five down linemen and they are the only ones that can rush. 15 yard penalty.***

**WEIGHT LIMIT**

QBS, RBS, Receivers, kick returners and tight ends must not exceed the weight limit. Those who exceed the weight limit will be designated as X men and will have a league sticker put on their helmets. This means that a player with a sticker exceeds the weight limit and may not carry the ball. (Fumbles and interceptions are excluded).

The Weight limits are as follows:

***Ball Size:***

**6<sup>th</sup> Grade-120 pounds**

***TDJ (Or Junior Equivalent)***

**7<sup>th</sup> Grade-130 pounds**

***TDY (Or Youth Equivalent)***

**8<sup>th</sup> Grade-140 pounds**

***TDY (Or Youth Equivalent)***

All players will be weighed in at a designated time and place before the season starts. If a player doesn't make the required weigh in for his grade, he can't carry the ball for the season. If a player doesn't weigh in at the assigned time he will have a league sticker placed on his helmet. He will be an X man all season and through the playoffs. The players who will be carrying the ball will be allowed 5 extra pounds for the playoffs.

### FIELD GOALS AND KICKED PAT'S

Kicked PAT's are worth 1 point. Blocked PAT's cannot be advanced.

6<sup>th</sup> Grade kicked PAT provision: If a 6<sup>th</sup> grade team chooses to kick a PAT, they must announce it. There will be no rush by the defense and there will be no fake by the offense. If the ball is snapped and missed by the holder, the holder can get the ball, set it up and the kicker can then attempt the kick.

## Other 6<sup>th</sup> Grade Provisions

For the 6<sup>th</sup> Grade one coach is allowed to be on the field for offense and one coach is allowed on the field for defense ***for the first two games of the season. After that no coach is allowed on the field during play.***

After the huddle breaks, the coach must move back 15 yards from the line of scrimmage, remain silent and cause no interference. Any late coaching will result in a 5 yard penalty. No coaches will be allowed on the field during the playoffs.

## **PARTICIPANT ELIGIBILITY**

If you have less than 22 players on a team you may bring a player from the grade below to play, at which time they will play the whole season with that team. **NO GOING BACK AND FORTH BETWEEN TEAMS.**

No 4<sup>th</sup> graders or younger will be allowed in this league. If a 4<sup>th</sup> grader is discovered on a team, that team will forfeit the right to play in the playoffs.

A player held back a grade would go ahead and move up with the team the following year. The player can't play for two years in the same grade. Exception: if a 5<sup>th</sup> grade player plays with the 6<sup>th</sup> grade team he would play 6<sup>th</sup> grade ball for two seasons. No player can play more than 4 years in the Central Utah Football League.

## **UNIFORMS**

**All spectators need to be outside the fencing in the bleachers or on the berms.**

**NO ONE ALLOWED ON THE TRACKS OR FIELDS EXCEPT COACHES AND PLAYERS.**

SPECTATORS AND PLAYERS WAITING FOR THE NEXT GAME OR PLAYERS WHO HAVE ALREADY PLAYED NEED TO BE IN THE STANDS OR *SOMEWHERE OTHER THAN THE FIELD.* ALL COACHES AND PLAYERS MUST BE IN THE BOX, which is from the 25 yard line to 25 yard line.

If any PARENT that is down by the football field causes problems for the officials during a game, the Head Official (the white hat) will warn the head coach one time. If the problem continues a penalty will be charged to the head coach and the penalty will mean a loss of down for the team and the parent will be ejected from the ball park. If the person who is causing the problem doesn't leave the playing field, the game could result in a FORFEIT.

## **FORFEITS**

In an effort to discourage forfeits, any team that fails to show up for a scheduled game will be given two losses in the league standings. Only under extreme circumstances will we consider rescheduling

games, and this will only be done through the league president. All scheduling issues will be run directly through the league president.

***If a team forfeits/cancels a game(s), they will pay the official fees for that schedule game(s) and receive probation as a community.***

***Options to avoid a cancelled game:***

Host schools may charge \$2.00 admission for the semi-final and championship games, this is for everyone over the age of 12. ½ of the gate proceeds go to the host and ½ go to the league.

### No Contest Guidelines

A coach may request a “No Contest” game when they have a team they feel cannot compete and want to work with the other team to design a game where their players can learn with reduced risk of injury.

**Purpose:** Help those teams who are struggling to have a good experience and learn more about the game of football. It also gives coaches the option of a scrimmage game where they can teach and help their team develop.

#### **Guidelines:**

- 1) The program league representative must call and discuss the situation with the opposing teams league representative. If it is agreed that the game will be a “No Contest” game by the representatives they will inform the League President, Arbiter, Secretary. The League President or Secretary will then inform all other programs in the league so everyone is aware.
- 2) The agreed upon guidelines for the game must be written out and sent to the League Arbiter. For example, if it is decided that the starters for one team are going to sit and 2<sup>nd</sup> and 3<sup>rd</sup> string players are going to play or if one team is going to sit their QB and running backs, whatever the agreed upon terms are, they needs to written out in detail and emailed to the League Arbiter so he can inform his officials of the changes in the game.
- 3) The team requesting the “No Contest” game will take **one loss** on the standings.
- 4) The request for the “No Contest” game must be made and agreed upon by start of practice on Monday so the coaches can organize their practices to adjust for the changes in the coming game.

**Purpose: In order to have better control in games where there is a large point spread and to discourage running the score up.**

**As per the Mercy Rule, the clock will run continuously during the 3rd and 4th quarters if there is a 25 point differential in the score. These points will also be enforced.**

- 1- There will be no blitzing allowed from the linebacker and secondary position for either team. Defensive Ends will continue to play their positions as normal.
- 2- There will be a 15 yd penalty assessed to the team that fails to follow **the blitzing rule**. Officials will remind players and coaches when the 25 point lead is reached.
- 3- At any time during the game if the score is back under the 25 point spread, **the clock will go back to regular clock management.**
- 4- It is expected that coaches will make a concerted effort to not run the score up and when they are 25 or more points ahead in a game that substitutions or changes will be made in what they are doing to keep the scoring controlled. It is also important that opposing coaches communicate with each other about changes that are being made not to run the score up.

Thank you and have a great season in the CUFL and always remember we are ultimately here to teach these young players this great game and good sportsmanship.
