Jodi presented our Strategic Planning Survey. After reviewing the survey and much discussion, we used the QR code to see the survey on line. Jodi will put the QR code in the county paper, at the city office and at the library. We all really liked the survey. Jodi will be able to access the demographics from her google survey but will also have to hand count the paper surveys. A suggestion was made to have the survey in Spanish.

Jodi reports that the Cleft funding was certified and a letter was sent to Jodi. The soffit was replaced with aluminum where the wood was rotted. Carpet cleaning is this week. Help me Grow Utah is a non profit group that comes into the library to help facilitate with play time to assess kids for pre K evaluation. We have 2 paint classes this month, a pottery class. The play aways will be weeded through this month. We have a Magician March 1st at 1:30 pm at the Opera House.
